ODUSD(MPP)/AP

NPS = Non-Prior Service

PS = Prior Service

DEP = Delayed Entry Program

* Navy operates within a "band" from (Goal - 100) to (Goal + 25) until the end of the FY, so Numeric Achievement YTD Deltas of -100 to +25 are fully successful for mid-year.

** DoD benchmarks for recruit quality are at least 90% high school diploma graduates (HSDG), at least 60% scoring at or above the 50th percentile on the Armed Forces Qualification Test (Cat I-III A), and no more than 4% scoring below the 30th percentile on the Armed Forces Qualification Test (Cat IV). These levels were set based upon cost-effectiveness considerations.
